The committee was advised that regular meetings will be held with Carolyn Elfland and the Director of Facilities Services, when a replacement is found. Meetings with Karol Gray, Brenda Malone and Ann Penn will be scheduled separate from standard Advisory Committee meetings. During regular meetings speakers may be scheduled to attend to provide information on the specific topic of discussion. All meetings are closed to outside attendance unless expressly approved by the committee in advance.

The committee was advised that they will be meeting with the on-campus candidates for the vacant position of Director of Housekeeping. Tracy Agnew and Christopher Chiron will help the committee develop questions that will be asked of the candidates during these meetings.

There was some brief discussion about current Housekeeping concerns between committee members and others present. The discussion was tabled until future meetings when specific topics can be developed and items prioritized, understanding that the main focus of the Advisory Committee is the current Housekeeping Initiatives.

At 8:30am the members of the Oversight Committee adjourned and the initial meeting of the Advisory Committee began.

Lea Holt, Interim Director of Housekeeping came forward and spoke to the committee. She stated that meetings will start on time and she encouraged everyone about the need to attend every meeting.
