I was pleasantly surprised to get a phone call the same day stating they would be able to come that day!! I initially gave them a few days notice, thinking it probably couldn't be done immediately. They were both extremely courteous and cleaned up after themselves nicely. I would like their supervisor/manager to know we were VERY happy with their work and positive attitude! Thanks again.

UNC's beautiful campus in the fall :) favorite!

The most beautiful college campus in the nation. Upper quad looks like heaven today

I don't care if I go to State or not, UNC has us beat when it comes to how pretty the campus is.

I didnt think it was possible for this campus to get any prettier. Then the leaves started falling :)

To: Lou Buarotti (Design & Construction Services)

Hi Lou,

I wanted to let you know about a phone call that I got this morning concerning Suite 309 at Peabody.

Judy Perry, our customer, could not be any happier about the progress of the project. She also commented that the shop personnel are so very kind and accommodating. [Plumbers Tommy Adams and James McKinney; Carpenters Andy Alberti and Ronnie Hunt; Electricians Jody Wrenn and Greg Brewer; Painters Rodney Benton, Jerry Woods (Radar) and Tim Ellis]

Thank you and your team for making this project a success thus far.

I told her that I would pass along the shop supervisors and our Director's name so she could acknowledge this work and talent with her words.

Thank you,

Good morning Cliff~

I wanted to get in touch to express my appreciation to Zin Aung, Crew Leader in Zone 214. The carpet in the Avery Residential Education suite and the VCT in the new Avery Basement Theatre look great! I always have a positive experience when working with Zin. He is a tremendous help me to me with my flooring and upholstery cleaning requests and approaches each task with a positive "Can Do" attitude. He takes the time to explain the process in regards to how long it will take, details of what he will be doing and the end result is always great. The result of his work ethic results in wonderful living spaces in our residence halls.

Thanks so much and have a great weekend!
