Need a Temporary Recycling Cart?

Temporary recycling carts can be requested from the Office of Waste Reduction and Recycling. Carts are used for office clean-outs and other large volumes of non-confidential paper.

How to Reserve

1. Go to the OWRR website: go.unc.edu/recycling.
2. Submit a service request for recycling.
3. Once your cart is delivered, you may fill the cart.
4. Leave the cart out for it to be picked up.

Guidelines

- Do NOT keep your cart in a locked room/area.
- Once filled, return cart to the original drop-off location.
- Carts cannot be delivered to upper floors if there is no elevator access.
- All carts are rented out for a set 2-3 week period. Due to high demand, your cart rental may not be extended beyond this period.
